**The Empower Centre, 2a
Layton Road, Gosport,
PO13 0JQ**

Hampshire Constabulary is working with **Bridgemary** businesses, schools and agencies to bring communities together to make a positive difference to young people. We want to find ways in which our community can help build young peoples' resilience, steering them away from crime & violence.

We are looking for residents and young people to join us in a community conversation and help us find out what the community in **Bridgemary** really needs. We want **you** to tell us what would make **Bridgemary** safer and make you feel safer from violence.

- A £10 cash incentive for the first 100 people to sign up, attend and participate in this World Cafe
- Free refreshments provided

If you are interested in coming along to the event please e-mail your name and postcode to bridgethegapgosport@gmail.com
